

# Directory of Kosher Certifying Agencies

## cRc Kasher

There are well over 1,400 kosher certifying agencies in the world today. As a public service, the cRc Kasher is presenting a list of common acceptable kosher symbols and their agencies' contact information.

Recommending certain agencies is the cRc's intensely-contemplated and most difficult decision, and we put a great deal of time and research in this endeavor solely to help kosher consumers without any monetary or other compensation. Because we take this task so seriously, our Kashruth Administrator, Rabbi Sholem Fishbane, has written an article entitled Understanding the Reliability of Kosher Agencies [https://www.crcweb.org/understanding\\_reliab.php](https://www.crcweb.org/understanding_reliab.php) explaining how the cRc determines recommendation status in order to help the kosher consumer make an informed decision. The cRc keeps strictly to halachic/kashrus criteria alone in making these recommendations, in keeping with our adherence to Torah values. The fact that a particular agency does not appear on this list does not imply that the cRc has determined it to be substandard.

**Note:** There are four areas of kashrus that require extra diligence and research even when bearing a recommended kosher symbol: Bagged vegetables which need to be checked for insects, Meat, Certified for Passover hotels, and Cruises.
